

At P.A Block Entertainment we are constantly looking for new talent and new music to promote. In the community we are active with charitable donations, charity and volunteer work and promoting independent music. In order to foster a community spirit and find artists to record we have devised a referral program which will give an incentive to people to help us find new artists and help them spread their music.

### Easy steps to making a referral:

1. Meet a prospective client and give them a brochure or price list, refer them to the website.
2. Simply call us or email us with the Clients name and contact information.
3. We will get in touch with the client and try to close the sale.
4. After the transaction with the client is successful we calculate your commission and send payment within two weeks.

### Registering as a referrer:

- 1) Email us (pablock@pablock.com) the following information:
  - Name
  - Address
  - Place of employment
  - Contact phone numbers (2 is best)
  - Contact email address
- 2) We will get in contact with you and give you a referral ID number which you will use when forwarding referrals to us. Do not share this ID with anyone as it is linked to commission payouts, any referrals under that ID will get paid to you.

### Commission breakdown:

1. Commission payout is 5 percent of sales for the referred customer up to a maximum of \$100.
2. Tax is excluded from commission calculations.
3. Commission cheques can be sent by mail or via paypal 2 weeks after the successful transaction.
4. We do not send commission cheques for amounts less than \$5.
5. You must be a registered referrer, prior to getting any commissions.
6. The terms and conditions of the referral program are subject to change at our discretion.
