P.A Block Studios

P.A Block Studios is a local music recording studio based in Gloucester, ON. P.A Block's mission is to record and help promote Canadian music to the world. We offer two rooms for all of your recording needs and have exclusive contacts for promotion and distribution.

Recording services

We offer recording services for a variety of applications, from music, multimedia, voice-overs and broadcasting. Our recording facilities offer:

- Multi-track recording in 96 kHz, 24 bit encoding on computer. Full ensemble recording with supervision in house
- Final Mixing and Mastering of music
- Custom samples and beats.
- Creative atmosphere with a genuine interest in creating new and exciting work
- Sheet music composition written by our staff with over 25 year's experience in a variety of styles
- Shuttle service available in Ottawa-Carleton.
